Fresh Breeze with Frequent
Rain Squalls Greet Yachtm-
en on Sound—Vanderbilt
and Belmont Did Not Sail.

LARCHMONT, N. Y., July 25.—Oil-
skins played an important part in the
fifth day's racing of the Larchmont
Yacht Club.

Out of a cloudy sky a fresh breeze from
a little east of south was blowing, ac-
companied by frequent rain squalls.
There was not much sea on in the Sound,
but it looked like rising to the
sufficient height to give the smaller
classes some trouble in covering their
courses.

Cornelius Vanderbilt is at Newport,
but his sloop, the Rainbow, sailed with
Edward Willard at the wheel. August
Belmont did not sail in the Murel, but
J. Rogers Maxwell did in the Yankee.
F. F. Brewster's schooner, the Elmina,
started and so did Charles Smith's, the
Murel. The latter has a new fore-
topmast in place today to replace the
one carried away in yesterday's race,
and her spinnaker which, by setting on
the mainmast was torn by the fore-
sails, has been replaced.

Mr. Smith's hope to give the Elmina
a good race today. Henry F. Lippitt,
the Westmoreland owner, sailed her
against the Murel. The latter's blocks
have been repaired and she was ready
for a battle royal with her sister ship.
The start was made as follows:

The start was made as follows:
Rainbow, 11:35:01; Murel, 11:35:02; Yankee,
11:35:03; Elmina, 11:35:04; Katrina, 11:35:05;
Murel, 11:35:06; Westmoreland, 11:35:07;
11:35:08; Larchmont, 11:35:09; Belmont, 11:35:10;
Chalder, 11:35:11; 11:35:12.

The first leg of the course was a five-
mile beat to windward to Red Spring
Point on the Long Island shore, then a
run to Paradise Point, thence a reach
to the home mark. The schooner and
large sloops were to sail in three
times around, making thirty-two
miles. The smaller classes were to
cover it twice. At 11:55 the Murel and
Marguerite got away. At 12 o'clock the
racesboats started. Hobo, Howdy, Jolly
Tar, Scamp, Mavis, Adair, House
and Cricket crossed the line. At 12:05
the Gazabo, Lambkin, Firefly, Mist,
Cricket, Arizona, Inverness and Knave
started.

The boats were timed as follows at
the finish of the first round:

Yankee, 12:54; Rainbow, 12:54:26; Murel,
12:55:05; Elmina, 1:03; Murel, 1:04:30; Noia,
